His docket no: 23 dated 5th July 1900

Requesting the sanction of a State Grant for building a Car shed for the use of the Sri Byatraya swamis temple at Tumkur.

Bangalore.—6-3-97.—10,002.

Deputy Commissioner's Office,
Tumkur District.

No: 96

Dated 19th September 1900.

To

The Secretary to the Government of Mysore
Muzrai Department.
Bangalore

Sir

With reference to the correspondence ending with your docket no: 23 dated 5th July 1900, in the matter of the construction of a car for the use of the Sree Byatraya-swami temple at Turnekere, I have the honor to state that on the decision of Government being communicated to them, the leading men of Turnekere purchased a car with all its accessories for Rupees 1500, from one Sitarama Sanjina Das of Bangalore, and expect to collect contributions from the devotees towards the cost thereof, at the next Jatra which will come off about the 2nd of March 1901

2. About Rupees 900 have now been

to the vendor and

will be paid ere long. The balance has to be paid after the Jatra. The car has been brought down to Turnekere where a temporary thatched shed now protects it from sun and rain.

3. The construction of a permanent building for keeping the car in is very necessary, and as this has to be close to the front-gate of the temple, it is essential that the building should be a decent one. An estimate for Rupees 300, has been prepared for a shed with mangalore tiled roof, and the people request that this may be constructed at Government cost. This request has my strong support for the reasons (1) that the temple is a very ancient institution whose importance Government has recognised by sanctioning the repair thereof out of Government Funds, and (2) that the people who have contributed as much as Rupees 1500 for the purchase of a car, deserve the help of Government.

ment should not t...

preferable to sanction a state grant for the carriage, I beg to recommend that the amount of the estimate may be met out of the sum of Rupees 1,503-7-10, which as stated in my letter no: 900 dated 29th May 1900, was available under the head "Surplus Funds" at the credit of all the Muzzai institutions of this district at the end of March last.

The estimate, with the connected vernacular records is submitted for early sanction.

I have the honour to be,

Sir,

your most obedient servant.

Venkatramayya

for Deputy Commissioner.

No.

Enclosures Number: { 2 estimates, 1 plan, 1 report, 1 abstract of records

Govt. Pro. No: 478-9 dated 27 October 1900

Submitting for sanction a revised estimate for the construction of a carshed for the Sri Byatraya-swami temple at Turuvekere.

Submitted

In Proceedings No 478-9, dated 27th October 1900, the Government sanctioned an Estimate amounting to Rs 300/- to construct a shed for the car, newly purchased by the devotees for the benefit of the temple, and, as the temple itself had no savings at its credit the Government also sanctioned the Deputy Commissioner's proposal to meet the aforesaid charge out of the Surplus funds of Rs 1503 7.10 then reported to be available at the credit of the District, in special consideration of the importance of the temple which is an ancient institution and also the zeal evinced by the devotees by contributing so much as Rs 1500/- for the purchase of the car

The Deputy Commissioner now reports that the aforesaid Estimate for Rs 300/- was prepared without any professional help and in modification thereof submits for orders two alternative Estimates for Rs 919 and Rs 685 respectively, prepared by the Public Works Department The first estimate for Rs 919 provides for a shed 16ft × 21 ft, with teakwood materials while the second one provides for a shed 14 ft × 17½ ft with honne wood materials The Deputy Commissioner recommends the of the former viz the Estimate Rs 919, and requests that the additional of Rs 619 required therefor may be out of nuzzrai funds - As the temple itself has

such a

Tumkur 19 April 1901

To

The Deputy Secretary to the Government
of mysore,
General and Revenue Departments
Bangalore

Sir,

I have the honor to submit, herewith, for the sanction of Government, a revised statement, in lieu of the one sanctioned in Proceedings no 478-9 dated 27th October 1900 for the Construction of a car shed for the Sri Royatarayaswami Temple at Turuvekere. Alternative designs have been prepared by the Public works Sub-Division officer; but the Executive Engineer prefers design no I to design no II. I concur in his view as the larger building is necessary to hold the Car accessories and may hold the Vahanams also.

The estimate for a building as per design no I is Rs 919 or Rs 619 in excess of the sum sanctioned

in their Proceedings referred to above difference is mainly to be attributed to the fact that the original estimate was prepared without any professional help. The revised estimate provides for entirely new materials, but by the use of old stones available in the place, some saving might be looked for

2 Under these circumstances, I beg that the revised estimate for Rs 919 may be kindly sanctioned and an allotment of Rs 300/- made for the current year The work is in progress and the exact amount of the allotment required for the next year will be reported at the end of June next, when it will be possible to forecast the saving likely to be effected

I have the honor to be,
Sir,
Your most obedient servant,

[signature]

for Deputy Commissioner

MUZRAI

1901

From

To

The Deputy Commissioner
Tinnevelly District

Dated 22nd July 1901.

Despatched

Received

General No. 124

Muzrai F. No. 22-1901

Enclosure No. 1 file

His letter No. 970, dated 19th April 1901, submitting for sanction two alternative Estimates — one for Rs 635, and the other for Rs 914/-, for the construction of a car-shed for the Sri Byatarayaswami temple at Tiruvekere.

———"———

With reference to the above, has the honor to state that the designs submitted by the Deputy Commissioner for the construction of the car-shed in question are too grand and costly, considering the purpose for which such a shed is intended, viz that of

MGCPB—11-1-1901—1500

affording shelter to an ordinary car; and his proposal to put up a ornamental gates and erect a compound wall round the shed is extravagant, especially as the temple itself has no funds of its own to defray the cost of the shed, and the amount of savings available at the credit of the District is but very limited. In these circs, the Govt are unable to sanction the Deputy Commissioner's proposals.

2. The Estimates received with the letter under reply are accordingly returned unsanctioned.

H. H the Maharaja of
Dated 3d Mysore, Muzarai
Despatched 7/2/05 Department
Received February 05
General No. 574
No.

Enclosure No. 2.

Has the honor to forward herewith for sanction an estimate for Rs 147/- for roofing the car-shed belonging to the temple of Sri Byatarayaswami at Jeuvekere with Mangalore tiles. The temple is a Muzarai Institution. It is reported that, as the shed is very high and one of steep slopes, the country tiles with which it is roofed, have

have fallen down and in consequence the shed has become leaky. It is therefore deemed necessary to roof it with mangalore tiles to prevent damage to the car from leakage. Hence the necessity for the submission of the estimate.

2 The old materials will be sold and the sale proceeds credited to Muzarai Funds in the name of the Institution.

3 There was at the credit of the temple Rs 184-15-8 in the Muzarai Fund on the 1st December/04, and the cost of the repair viz Rs 147/- might therefore be met out of this amount
